RESEARCH INTERESTS	Operations Management; Service Operations & Service Systems; Data-Driven Decision-Making; Forecasting; Stochastic Modeling & Analysis	
EDUCATION	University of North Carolina at Chapel Hill , Chapel Hill, NC Ph.D. in Statistics and Operations Research (STOR) May 2025 Master of Science in Statistics and Data Analytics May 2024 <i>Dissertation Title:</i> “Data-driven Population Tracking and Arrival Forecasting in Service Systems” <i>Research Mentors:</i> Fernando Bernstein (Duke University Fuqua School of Business) Bora Keskin (Duke University Fuqua School of Business) Adam Mersereau (UNC Kenan-Flagler Business School) Serhan Ziya (UNC STOR Department)	
	East Carolina University , Greenville, NC Master of Arts in Mathematics, Concentration in Statistics, GPA: 4.0 May 2020 Bachelor of Science in Mathematics, GPA: 4.0, summa cum laude May 2018	
ACADEMIC EMPLOYMENT	School of Business & Professional Studies, North Carolina Wesleyan University , Rocky Mount, NC Assistant Professor of Business & Data Science August 2025 - present Program Coordinator, Certificate in Data Analytics August 2026 - present – Lead development and assessment of the Certificate in Data Analytics, including learning outcomes, program review, scheduling, course/program proposals, faculty credential review, and adjunct staffing/evaluation. – Develop and teach undergraduate, MBA, and Executive MBA courses in statistics, data visualization, business analytics, and information technology.	
	The Fuqua School of Business, Duke University , Durham, NC Adjunct Faculty January 2027 - May 2027 – Instructor of record for BA990S: Emerging Topics in Operations	
PUBLICATIONS	“Data-driven Population Tracking in Service Systems” with Bernstein, F., Keskin, N. B., Mersereau, A. J., and Ziya, S. Accepted at <i>Management Science</i> March 2026 “Show-Up Profiles for Scheduled Services: Estimation and Applications” with Bernstein, F., Keskin, N. B., Mersereau, A. J., and Ziya, S. Accepted at <i>Manufacturing & Service Operations Management</i> January 2026	
AWARDS & HONORS	Dan and Linda Bell Development Award , NC Wesleyan University February 2026 Granted for my proposal designed to create and enhance innovative, data-driven courses and to lead the development of NCWU’s growing data science curriculum. Walter L. Deemer Excellence in Teaching Award , UNC Chapel Hill December 2023 Award given to students or faculty who have done consistently excellent work in supporting the department’s teaching mission.	

	Amazon SCOT/INFORMS Scholarship	October 2023
	Bonder Scholar for the INFORMS Doctoral Student Colloquium	October 2023
	Cambanis-Hoeffding-Nicholson Award , UNC Chapel Hill	December 2021
	Award given for outstanding performance in first-year graduate courses and comprehensive written exams.	
	Spaniolo Gift Award , UNC Chapel Hill	August 2021
	Awards and Scholarships from East Carolina University	
	– Eron-Vittitow Scholarship	May 2018 & May 2019
	– Ji and Li Family Scholarship	May 2017 & May 2019
	– Outstanding Senior Award	May 2018
	– Graduate Scholar Award	May 2018
	– Pignani Archer Award	May 2018
	– STEM Merit Scholarship	May 2016
TEACHING EXPERIENCE	Instructor of Record , NC Wesleyan University	
	– BUS 630: Information Technology for Decision-Makers	
	<i>Executive MBA, Hybrid</i>	Summer 2026 & Fall 2026
	<i>Traditional MBA, Online</i>	Spring 2026 & Fall 2026
	– CIS 360: Data Visualization	
	<i>Traditional Undergraduate, In-person</i>	Spring 2026 & Fall 2026
	<i>Adult & Professional Studies (APS), Online</i>	Spring 2026 & Fall 2026
	– MAT 213: Elementary Statistics	
	<i>Traditional Undergraduate, In-person</i>	Fall 2025, Spring 2026, & Fall 2026
	– COL 150: Using Data in Business	
	<i>Traditional Undergraduate, In-person</i>	Fall 2025
	Instructor of Record , Fuqua School of Business, Duke University	
	– BUS 7XX: Emerging Topics in Operations	Spring 2027
	Instructor of Record , UNC Chapel Hill	
	– STOR 215: Introduction to Decision Sciences	Fall 2022
	– STOR 155: Introduction to Data Models and Inference	
	<i>Traditional Undergraduate, In-person</i>	2022-2023 (multiple terms)
	<i>Traditional Undergraduate, Online</i>	Summer 2022
	Instructor of Labs and Recitations , UNC Chapel Hill	
	– STOR 320 Lab Sessions: Introduction to Data Science	Fall 2024
	– STOR 315 Recitation Sessions: Discrete Mathematics for Data Science	Fall 2023
	Teaching Assistant , UNC Chapel Hill	
	– STOR 642: Stochastic Modeling II	Spring 2024
	– STOR 415: Stochastic Modeling	Fall 2020 - Fall 2021
	Instructor of Record , East Carolina University	
	– MATH 1065: College Algebra	Spring 2020
	– MATH 0001: Remedial Mathematics	Spring 2019

CURRICULUM & PROGRAM DEVELOPMENT	Certificate in Data Analytics, NC Wesleyan University	2026 - present
	– Program Coordinator responsible for learning outcomes, assessment, program review, scheduling, course/program proposals, faculty credential review, adjunct staffing/evaluation, APS coordination/recruitment, and curriculum revision.	
PROFESSIONAL SERVICE	Development of Business School Curriculum, NC Wesleyan University	2025 - present
	– Developed and redesigned courses in data visualization, business analytics, and statistical inference across undergraduate, MBA, and Executive MBA programs.	
	Journal & Conference Reviewing	
	– Ad-hoc reviewer, <i>Operations Research</i>	November 2025 - present
	– Track reviewer, Service Operations Track, MSOM 2025 Conference	February 2025
	Committee Work	
	– Zipf Teaching & Learning Center (ZTLC) Advisory Board Member	May 2026 - present
	– Library & Technology Committee Member	August 2026 - present
	Statistical Consulting	
	Free statistical consulting in conjunction with the course STOR 765: Statistical Consulting	
SELECTED PRESENTATIONS	– “Determining Core Words for Mandarin-Speaking Children”	November 2023
	– “Teeth Asymmetry after MARPE”	April 2024
	Conference Organization	
	– STORFest organization student committee member, UNC Chapel Hill	September 2023
	– Liaison between East Carolina University and conference organizers for UNC System Math Pathways conference	September 2019
	Mentoring & Retention	
	– Academic advisor to 8 undergraduate students at NC Wesleyan University, including monitoring and responding to student retention alerts	June 2025 - present
	– Member of graduate student committee for mentoring new and prospective Ph.D. students of UNC STOR department	March 2023 - May 2025
	Invited Keynote Speaker	
	– 2027 Omnium Undergraduate Research Conference, Rocky Mount, NC	Spring 2027
	“Making Sense of Messy Data: Tracking and Forecasting Airport Passengers”	
	– East Carolina University, Greenville, NC	March 2026
	– UNC Chapel Hill Data Science Day, Chapel Hill, NC	September 2025
	“Data-Driven Population Tracking in Large Service Systems”	
	– Kellogg School of Management’s OM Rookiepalooza, Evanston, IL	October 2024
	– INFORMS Annual Meeting, Seattle, WA	October 2024
	– Revenue Management and Pricing Conference, Los Angeles, CA	July 2024
	– MSOM Conference Service Management SIG, Minneapolis, MN	June 2024
	– INFORMS Annual Meeting, Phoenix, AZ	October 2023
	– Poster presentation, STORFest, Chapel Hill, NC	September 2023
	– MSOM Conference, Montreal, Quebec	June 2023
	– Production and Operations Management Society Annual Conference, Orlando, FL	May 2023
	“Structural Forecasting of Customer Arrivals for Scheduled Services”	
	– INFORMS Annual Meeting, Seattle, WA	October 2024
	– MSOM Conference, Minneapolis, MN	July 2024
